

# Introduction

The CRMS is the public-facing component of the SSMIS hence all requests, applications and payments will be routed via CRMS for the respective public/members' service interface.

## Who Benefits From The Human Resource Management System

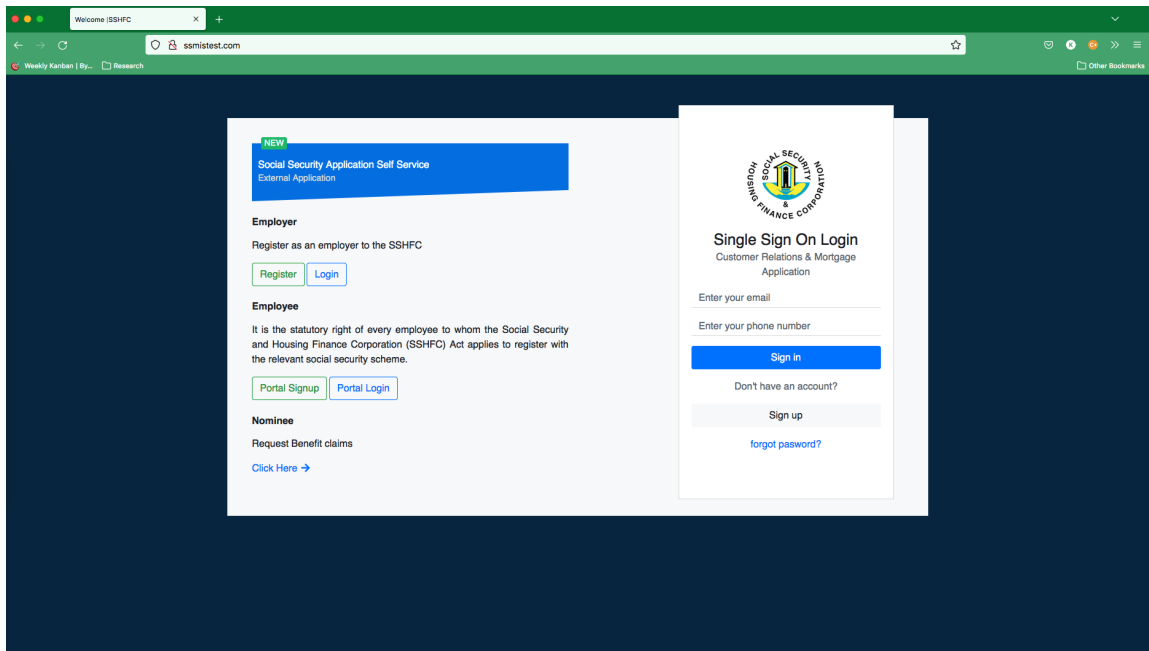

- The general public
- Members of Management
- Information Technology Officials

## System Input

- Requests for Information
- Requests to Book Appointment
- Submissions of Complaints
- Mortgage Application

## External Users

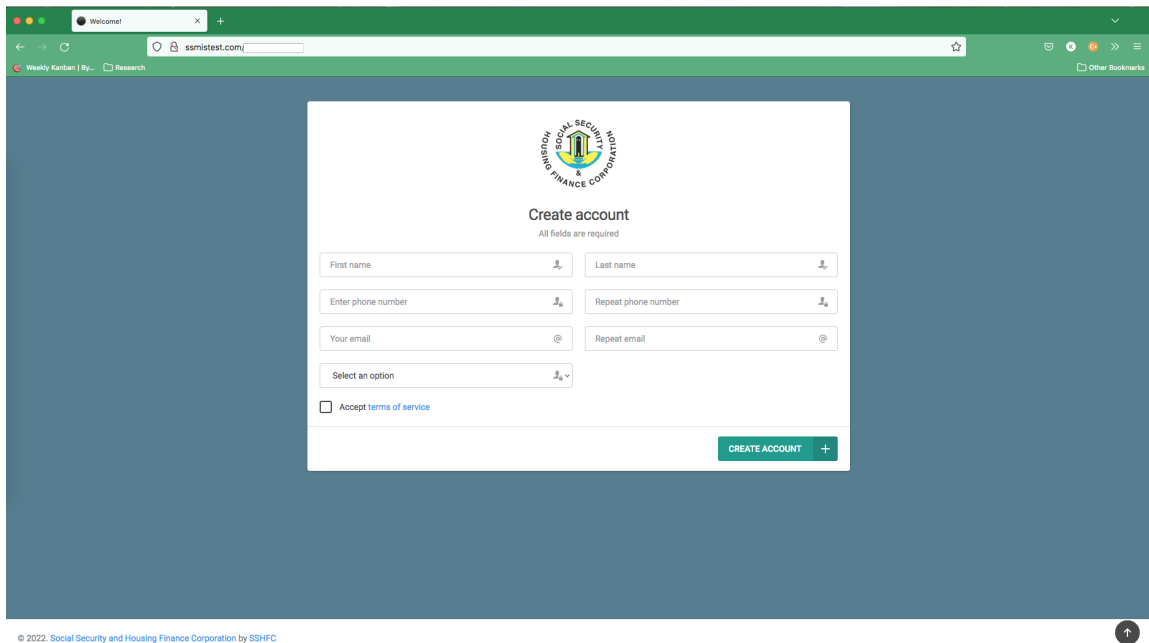

This whole process begins when an external user, visits the public-facing website of SSHFC. As shown in the image below.

This page gives you access to the SSMIS, MMS and CRMS public facing sections. Both the Mortgage application and CRMS module have a common sign-in interface , as seen in the image above.

## Sign Up

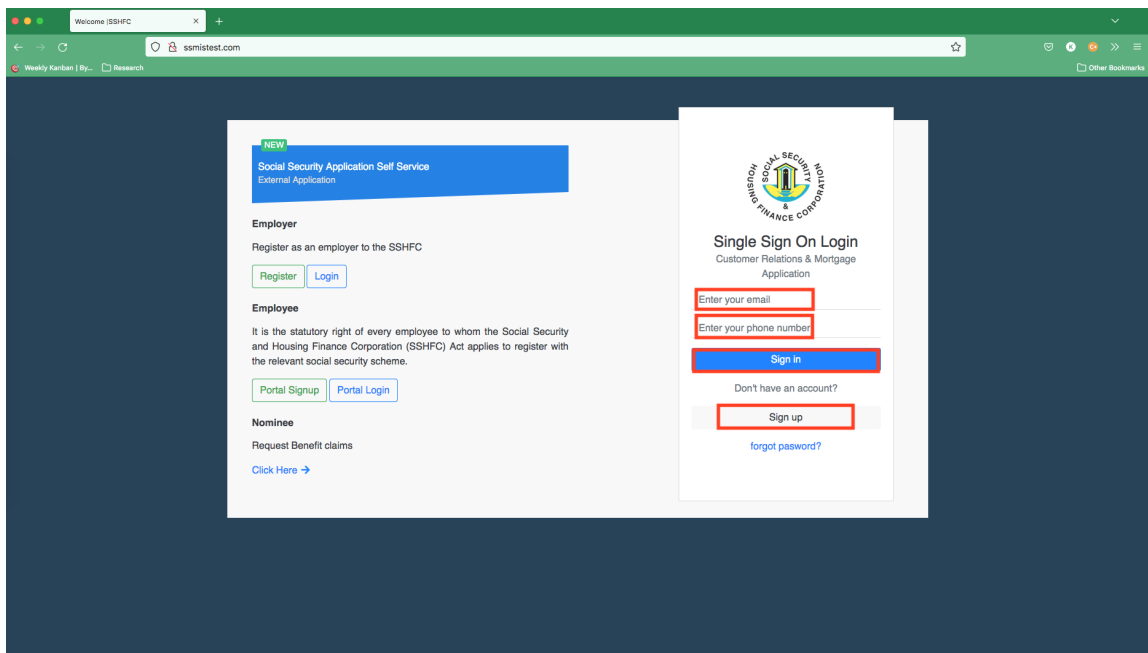

To take advantage of the CRMS the general public will first need to sign up for the platform. This requires an email address, phone number as well as other pertinent details.

## Sign In

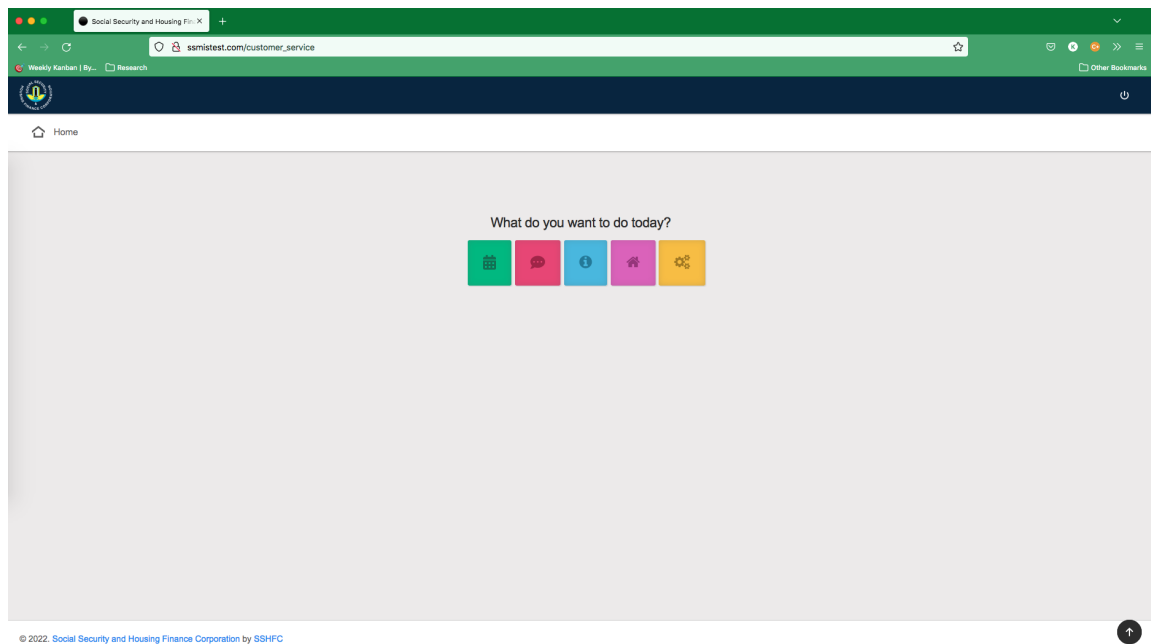

To log, into the system, one will need to be authenticated, via a username and password. After providing these details, the system grants you access to your portal where you will be allowed to submit various requests.

- Requests for Information
- Requests to Book Appointment
- Submissions of Complaints
- Initiate a mortgage application

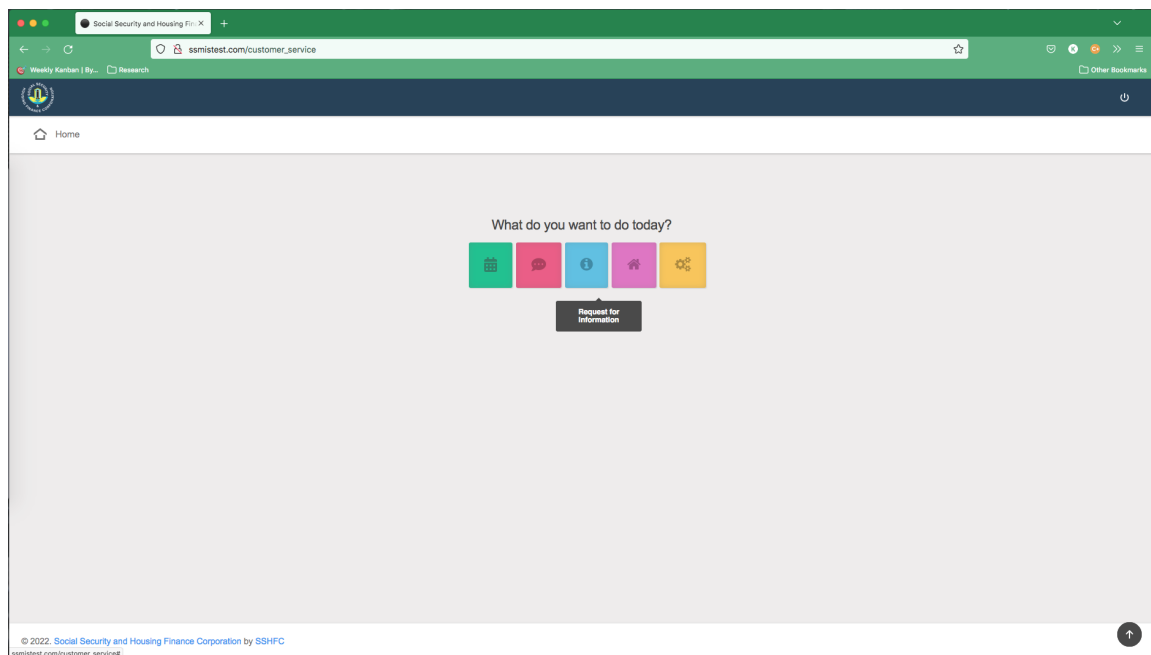

The screenshot shows a web browser window with the URL [ssmistest.com](http://ssmistest.com). The page features a dark blue header and a main content area with a light blue background. On the left, there is a 'NEW' banner for 'Social Security Application Self Service External Application'. Below this, there are sections for 'Employer' (Register as an employer to the SSHFC), 'Employee' (It is the statutory right of every employee to whom the Social Security and Housing Finance Corporation (SSHFC) Act applies to register with the relevant social security scheme.), and 'Nominee' (Request Benefit claims). On the right, there is a 'Single Sign On Login' form with fields for 'Enter your email' and 'Enter your phone number', a 'Sign in' button, and a 'Sign up' button. A 'forgot password?' link is also present.

After you successfully sign-in you are sent to the homepage, from which point you can access all other sections. See below:

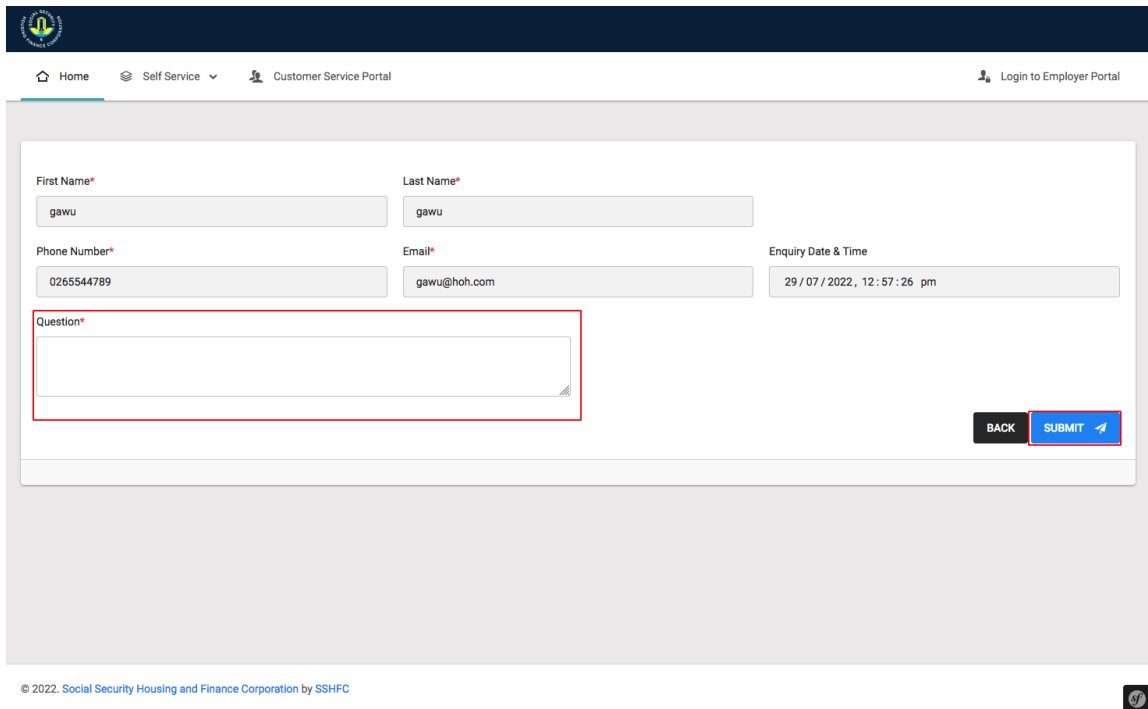

## Request for Information

Under this tab, a user can request information. Here, the customer is given the opportunity to submit his question or request for information.

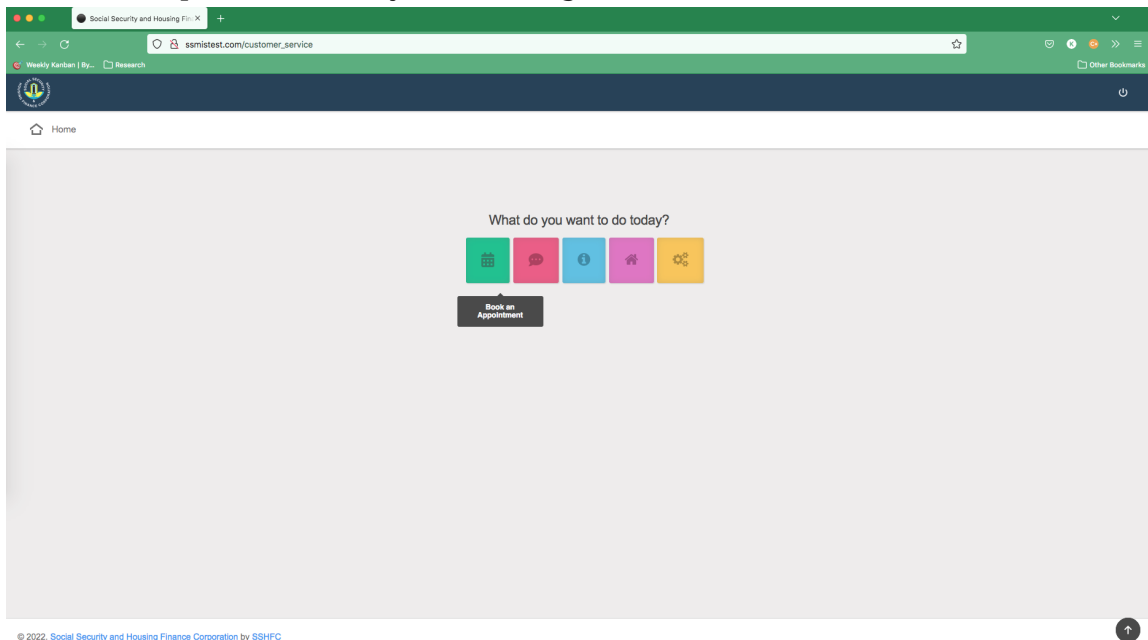

On the Tab - Request for information, click on the **Make a Request** button. This action opens up the page you see below:

The screenshot shows a web form titled "Customer Service Portal" with a dark blue header. The form contains several input fields: "First Name\*" (gawu), "Last Name\*" (gawu), "Phone Number\*" (0265544789), "Email\*" (gawu@hoh.com), and "Enquiry Date & Time" (29 / 07 / 2022, 12:57:26 pm). A "Question\*" text area is highlighted with a red border. At the bottom right, there are "BACK" and "SUBMIT" buttons, with the "SUBMIT" button also highlighted by a red border. The footer includes the copyright notice "© 2022. Social Security Housing and Finance Corporation by SSHFC" and a small circular logo.

## Book Appointment

Under this tab, a user can book an appointment. A range of dates and times are available for the user to select. However, an approved date will be communicated when the request is officially acknowledged.

Clicking on the **Request an Appointment** Button opens up a page that allows

you to select possible dates and times for an appointment. See below:

The screenshot shows the SSHFC Customer Service Portal with a form for booking an appointment. The form includes fields for First Name, Last Name, Phone Number, Email, and a Message. There are also dropdown menus for selecting the appointment date and time. A calendar for July 2022 is displayed, showing dates from 26 to 16. The form has a 'BACK' button and a 'SUBMIT' button. The footer indicates the copyright is © 2022, Social Security Housing and Finance Corporation by SSHFC.

## Submit a Complaint

Users of this portal are given the chance to also submit complaints they might have about SSHFC.

The screenshot shows the SSHFC Customer Service Portal home page. The page has a header with the SSHFC logo and navigation links. The main content area features a section titled 'What do you want to do today?' with five colored buttons: a green button with a calendar icon, a red button with a speech bubble icon, a blue button with an information icon, a purple button with a person icon, and an orange button with a gear icon. The red button is highlighted, and a 'Make a Complaint' button is shown below it. The footer indicates the copyright is © 2022, Social Security Housing and Finance Corporation by SSHFC.

## Track your Submissions

Also, is the ability to view the outcome of your submissions once they have been worked on. This is indicated by the status message on each module. Once you click on a module: complaints, appointments, information requests, you are able to submit a request as well as view the status of requests that have been already made.

Highlighted in the image above are:

- Status: Tracks the state of your submission
- Filter: This allows you to search and filter from your list of submissions
- Action: Allows you to perform actions like edit, delete, and view your submissions
- Exports: This allows you to export your data in any of the listed formats
- Show: This allows you to determine the number of rows visible at any one time.

## Internal Users / Members

Internal users and Members also have the ability to Book Appointments, Submit requests for Information & Make Complaints. The process to do these are similar to the processes outlined above.

## Enquiry Page

The screenshot shows the 'CRMS - Make an Appointment' page. The sidebar on the left contains the following menu items: My account (John Awotwi, johnawotwi@gmail.com), USER, SETUP, DASHBOARD, AACMS, and CRMS. Under CRMS, there are sub-items: Complaint, Information Request, Request Appointment (highlighted with a red box), DEPARTMENT, HELPDISK, REPORTS, and SETUP. The main content area is titled 'CRMS - Make an Appointment' and features a 'REQUEST APPOINTMENT' button in the top right corner. Below this is a filter input field and a 'Show: 10' dropdown. A table displays three appointment entries, each with a status of 'Approved'. The table columns are: First Name, Last Name, Phone Number, Email, Appointment Date, Appointment Time, Status, and Actions. The footer of the page indicates '© 2022. Social Security Housing and Finance Corporation by SSHFC'.

First Name	Last Name	Phone Number	Email	Appointment Date	Appointment Time	Status	Actions

## Appointment page

However, Internal users have the ability only limited by the permission and role granted, to coordinate and approve requests that come through the system.

## HelpDesk

This role is the glue that binds requests and bookings that come in with the responsible party or department qualified to manage such a task. The person or department assigned these tasks, will have the opportunity to work on all complaints, booking and information requests that come into SSHFC through the system. These are grouped into external and internal requests, to differentiate requests that come in through the public interface and those that are generated from within.

Above are highlights showing what fields are available to the help desk personnel. These allow the helpdesk to submit extra details and information to the responsible department. Issues worked upon are then redirected to the department assigned to resolve said tasks.

When issues have been pending for a longer time than usual, the person in charge of the help desk has the option to re-assign the issue to another department. This is done using the re-assign button. As shown below.

The screen that shows next, allows you to select from a drop down, the list of departments available.

## Department

This role handles the requests that are assigned on a department basis. As such only issues assigned to the department are seen in this portal. Approvals, answers to queries and complaints are submitted here, for onward submission to the user who initiated the process. The image below shows the Department's Interface for External Complaints.

BACK EDIT

## Track your Submissions

Also on this portal, is the ability of each role assigned to the task to track, search and filter through all submissions that come through the system.

## Email Usage

The system is designed to send email prompts throughout the lifecycle of a request submitted through the portal.
