

Introduction

This user guide provides guidelines on how to use the Mortgage Management System (MMS) platform which is one of the Financial Management Systems.

Dashboard

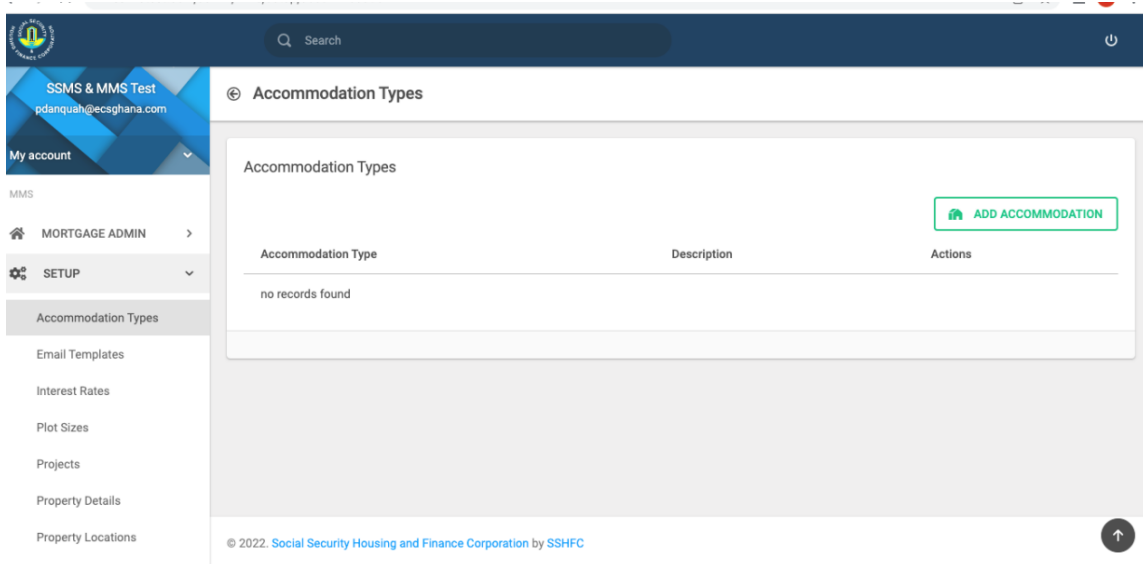

The setups section has different elements of Accommodation Types, Email Templates, Interest Rates, Plot Sizes, Projects, Property Details, Property Locations & Property Types.

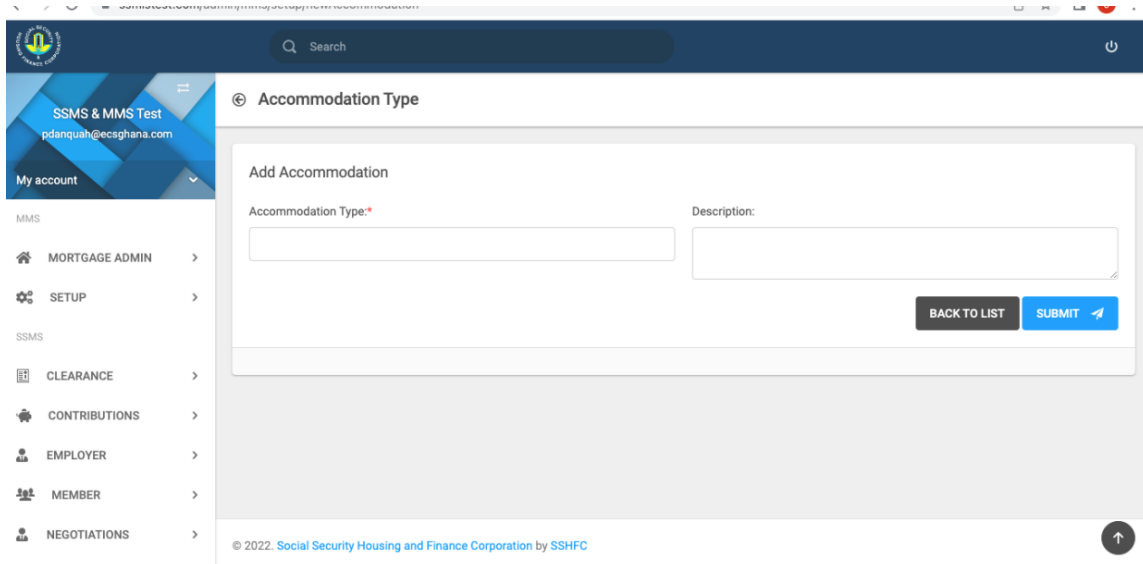

Setups

Accommodation Type

The accommodation types tab directs you to a page with a list of various types of accommodation with their descriptions and actions. Select the “Add Accommodation” tab to add new accommodation type with description.

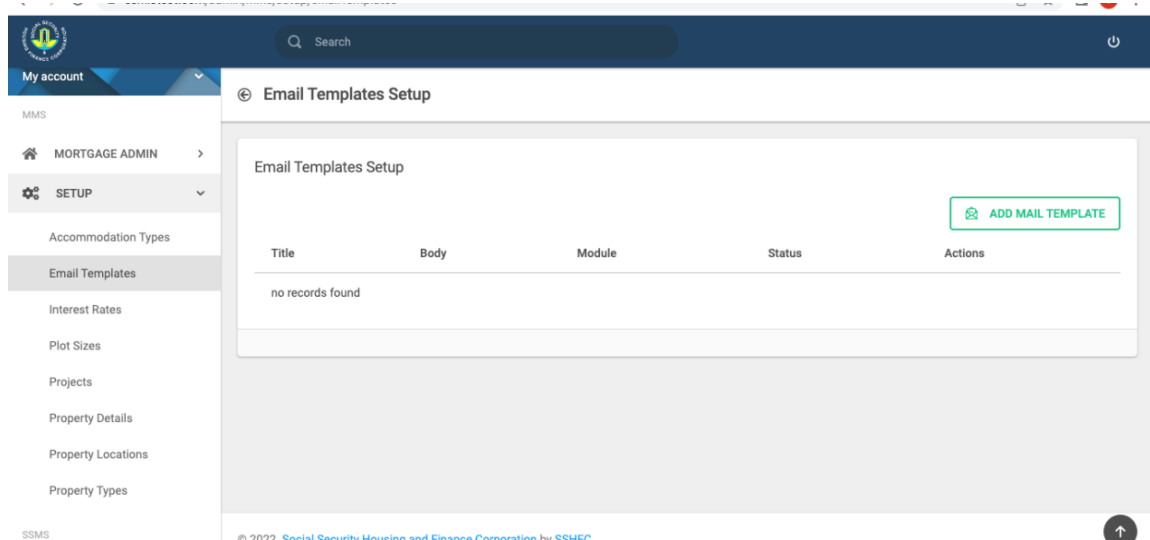

Enter in the accommodation type and description to submit. Also select the “Back to List” tab to return to accommodation type full list.

Email Templates

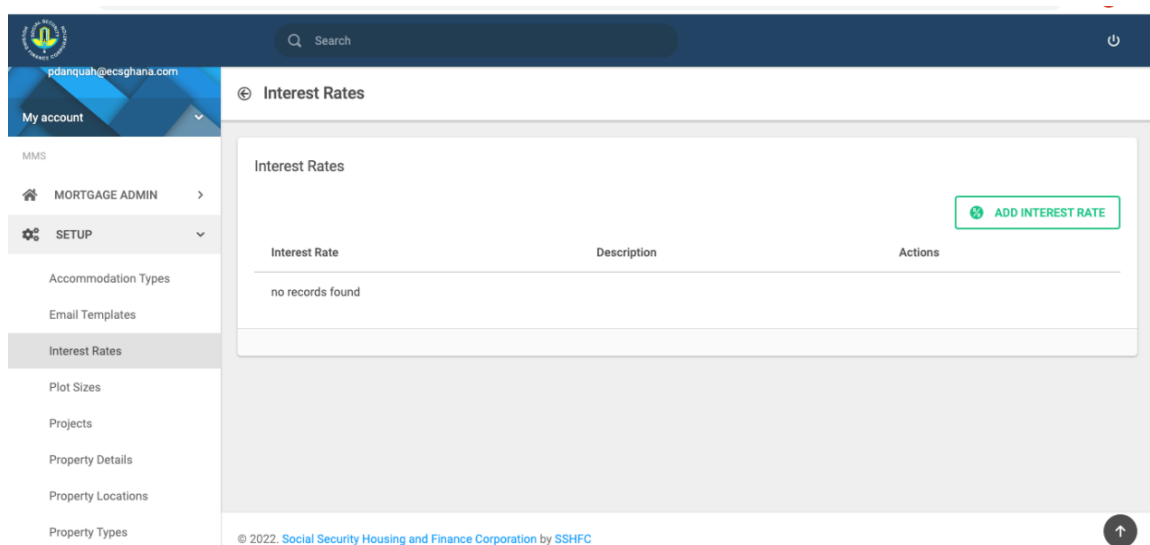

The email templates tab directs you to a page where you can view email templates setup showing the various titles, body, module, status and actions of mails. The

“Add Mail Template” tab gives the opportunity to add on to the list of mail templates by filling in the needed information.

Interest Rates

The interest rates tab is located on the left panel. Select this tab to view any records available and to update with new information.

The screenshot shows the 'Property Locations' form. The left sidebar contains the following menu items: MMS, MORTGAGE ADMIN, SETUP, SSMS, CLEARANCE, CONTRIBUTIONS, EMPLOYER, MEMBER, and NEGOTIATIONS. The main content area is titled 'Property Locations' and contains the 'Add Property Location' form. The form has the following fields: Name (required), Address, Region (dropdown menu), District (dropdown menu), Town (dropdown menu), and GPS. The 'Region' dropdown is currently set to '--- Select a Region ---'. The 'District' dropdown is currently set to 'Select a Region First ...'. The 'Town' dropdown is currently set to 'Select a District First ...'. At the bottom right of the form are two buttons: 'BACK TO LIST' and 'SUBMIT'.

Property Types

All property types available are described on the list of this tab. Updates can also be made using the "Add Property Type" tab.

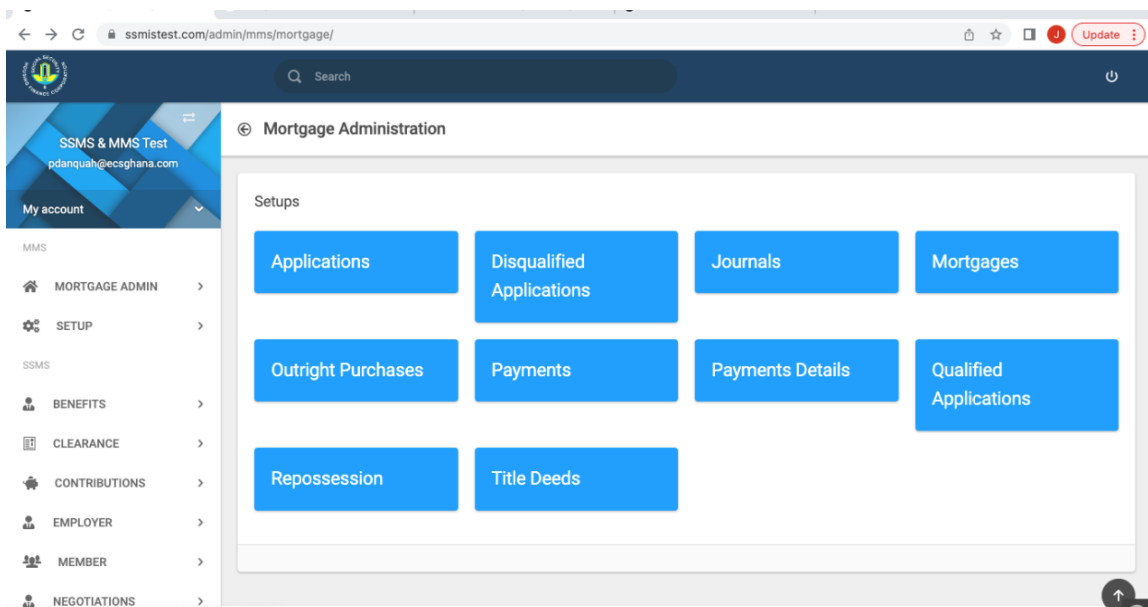

The screenshot shows the 'Property Types' table. The left sidebar contains the following menu items: MMS, MORTGAGE ADMIN, SETUP, Accommodation Types, Email Templates, Interest Rates, Plot Sizes, Projects, Property Details, Property Locations, and Property Types. The main content area is titled 'Property Types' and contains a table with the following columns: Type, Description, and Actions. The table is currently empty, showing 'no records found'. At the top right of the table is a green button labeled 'ADD PROPERTY TYPE'.

Type	Description	Actions
no records found		

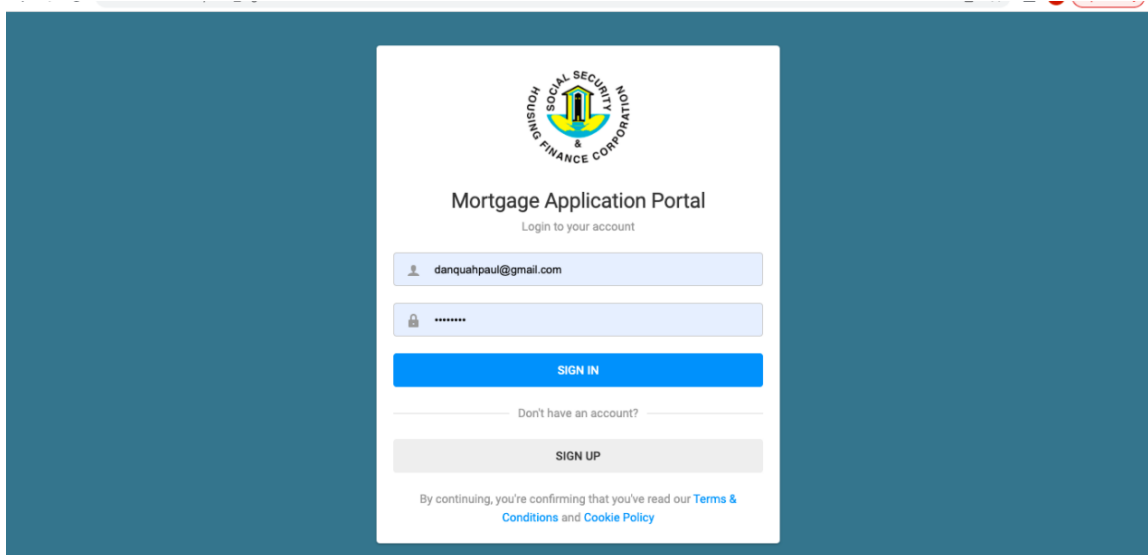

Mortgage Administration

The Mortgage Administration feature under MMS is set up to allow customers and users of the platform to register for mortgage and either pay out rightly for a property. The Mortgage Administration Feature section has different elements of Mortgage Registration, Applications, Qualified Applications, Disqualified Applications, Mortgages, Outright Purchases, Payments, Payment Details, Title Deeds, Journals.

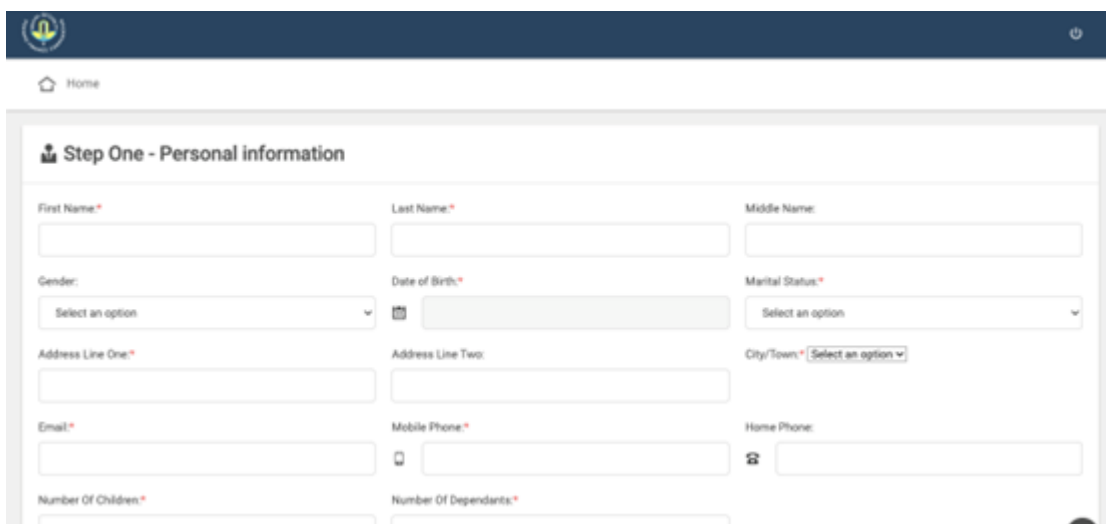

Mortgage Registration

A user needs to first register on the Mortgage application portal for the application to be assessed

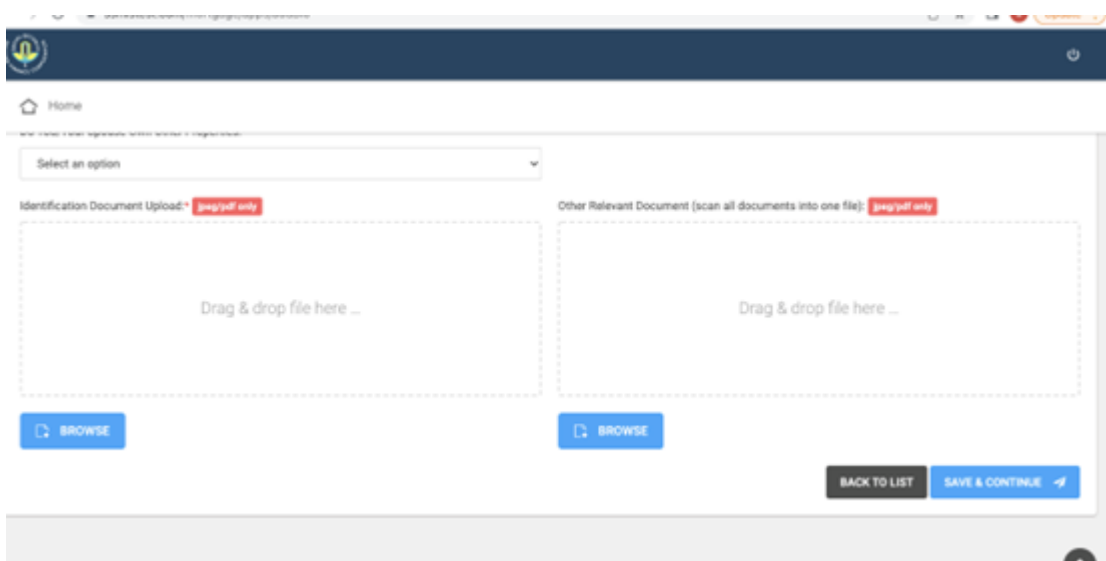

The image shows the login page of the Mortgage Application Portal. At the top center is the logo of the Social Security Housing Finance Corporation, which features a stylized building and the text 'SOCIAL SECURITY HOUSING FINANCE CORPORATION'. Below the logo, the title 'Mortgage Application Portal' is displayed, followed by the subtitle 'Login to your account'. The login form consists of two input fields: the first is for the email address, with 'danquahpaul@gmail.com' entered, and the second is for the password, shown as a series of dots. Below these fields is a blue 'SIGN IN' button. Underneath the button is a link that says 'Don't have an account?'. Below that is a grey 'SIGN UP' button. At the bottom of the form, there is a line of text: 'By continuing, you're confirming that you've read our [Terms & Conditions](#) and [Cookie Policy](#)'.

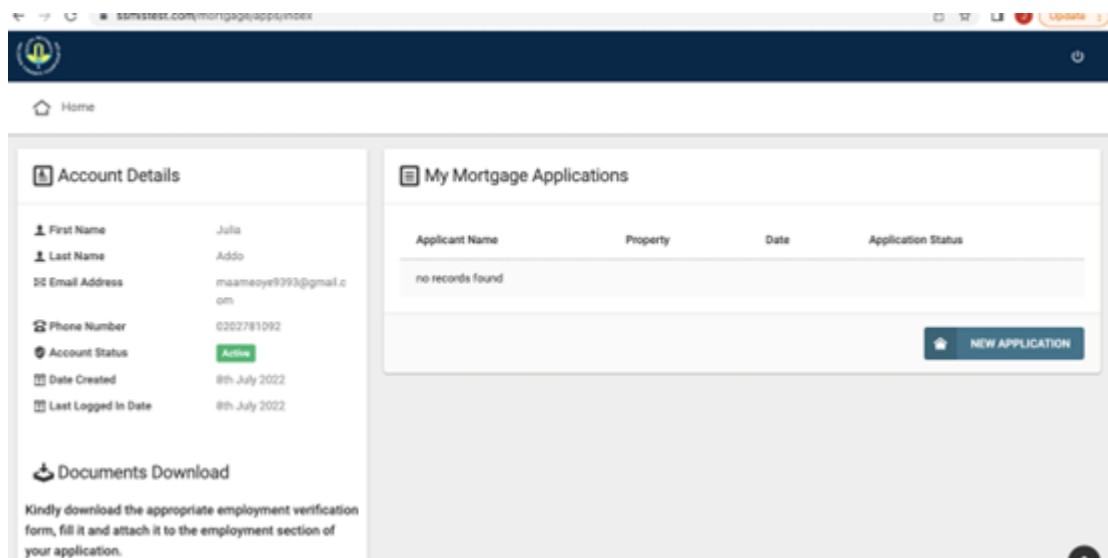

The registration platform requires details on the user which are required to be saved and submitted to continue

The image shows the 'Step One - Personal information' registration form. The form is titled 'Step One - Personal information' with a person icon. It contains several input fields and dropdown menus. The fields are: First Name, Last Name, Middle Name, Gender (dropdown), Date of Birth (calendar icon), Marital Status (dropdown), Address Line One, Address Line Two, City/Town (dropdown), Email, Mobile Phone, Home Phone, Number Of Children, and Number Of Dependents. Each field has a red asterisk indicating it is required. The form is set against a light grey background with a dark blue header bar at the top.

The image shows the document upload section of the registration platform. It features a dark blue header bar with a home icon and the text 'Home'. Below the header, there is a dropdown menu with 'Select an option'. The main section is titled 'Identification Document Upload' and 'Other Relevant Document (scan all documents into one file)'. Both sections have a red banner indicating 'jpeg/pdf only'. Below each title is a large dashed box with the text 'Drag & drop file here ...'. At the bottom of each dashed box is a blue 'BROWSE' button. At the bottom right of the form, there are two buttons: 'BACK TO LIST' and 'SAVE & CONTINUE' with a right arrow icon.

Applications

The first step of the mortgage application process is for a client to apply. All applications from clients are assessed and either qualified or disqualified for interviews. Ideally, all qualified applicants are shortlisted and later issued offer letters for a property. Once payments are made by clients, they are then allocated and the system is updated with client's details. The entire update is mainly for interest calculations and mortgage on property. Regular repayment are monitored and notifications are given upon repayment in the form of SMS, letters or E-mails. Upon payment of the necessary legal fees title deeds are now processed and issued. The first tab which is the Applications tab enlists all mortgage applicants names when registered with the application type be it outright payment, particular project, applicant's name, date submitted, qualification status and actions to be taken. These applicants are either qualified or disqualified using the action tab.

- Payment Type:** A dropdown menu with the text 'Select an option'.
- Reason:** A large text area for a detailed description.

At the bottom right of the form are two buttons: 'BACK TO LIST' and 'SUBMIT'. The footer of the page includes the copyright notice '© 2022. Social Security Housing and Finance Corporation by SSHFC' and a small circular icon with an upward arrow.

Mortgage Repossession

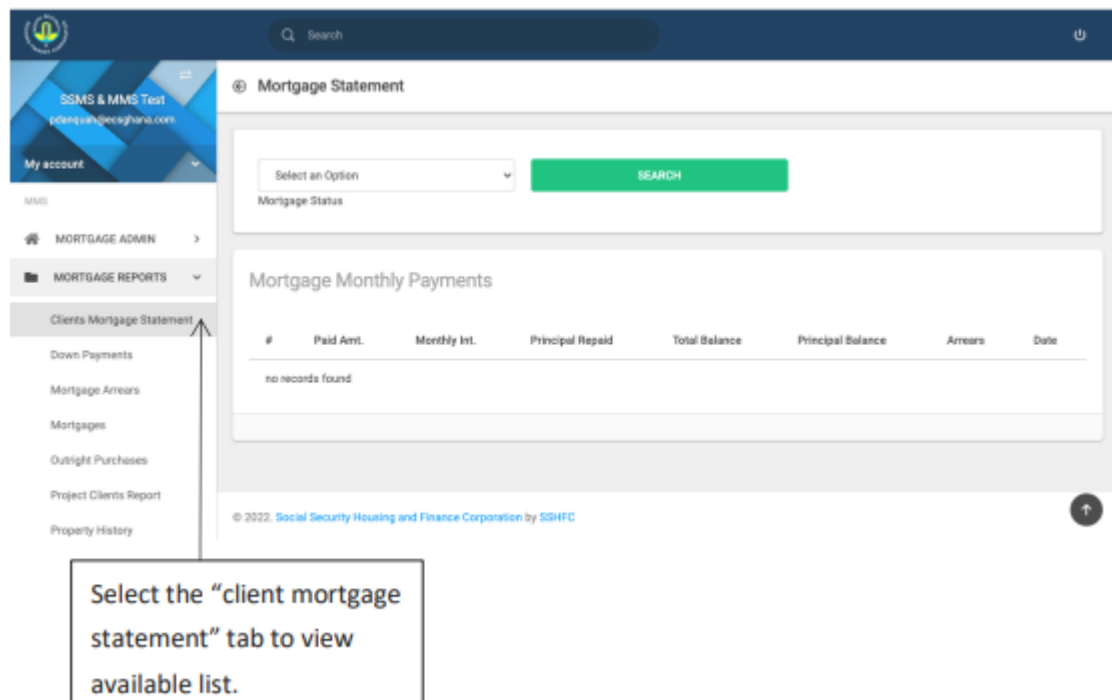

The system allows for mortgages to be repossessed. However, three consecutive missed payments by 15th of every month will result in mortgage being marked for foreclosure. The first missed payment warrants demand notes in the form of e-mails, SMS, generated letter. Second notifications are usually sent upon missed payment default not redeemed based on negative arrears for second consecutive month being the 15th. Third notifications also in the form of e-mails, SMS, generated letters are sent out to inform clients of repossession based on negative arrears for the third consecutive month, 15th of every month. There is an automated freeze of account and discontinuation of interest calculation. These marked mortgages can either be re-activated with the appropriate approval or be foreclosed. Either unfreeze or repossess by General ledger update/reversal for interest repayment and principal.

Reports

Detailed reports can be generated on the Mortgage Reports tab. Reports are available for client mortgage statement, down payments, mortgage arrears, mortgages, outright purchases, project clients report, property history.

Outright Purchases

Project Clients Report

The screenshot shows the 'Project Clients Report' interface. On the left, a sidebar menu lists various options, with 'Project Clients Report' highlighted. A callout box points to this menu item with the text: 'Project Clients Report tab.' The main content area is titled 'Projects Master List'. It features a search bar with a dropdown menu currently open, showing options: 'Project', 'Mortgage', and 'Outright Purchase'. A callout box points to this dropdown with the text: 'Select an option to search.' Below the search bar is a table with columns: 'Project', 'Account Number', 'Project', 'Property', and 'Year'. The table currently displays 'no records found'. At the bottom, there is a copyright notice: '© 2022. Social Security Housing and Finance Corporation by SSHFC'.

Property History

The screenshot shows the 'Property History' interface. On the left, a sidebar menu lists various options, with 'Property History' highlighted. A callout box points to this menu item with the text: 'Property History tab. Select an option to search for information.' The main content area is titled 'Property History'. It features a search bar with a dropdown menu currently open, showing options: 'Project', 'Mortgage', and 'Outright Purchase'. Below the search bar is a table with columns: 'Account Number', 'Project', 'Property', 'Allocation Type', and 'Date'. The table currently displays 'no records found'. At the bottom, there is a copyright notice: '© 2022. Social Security Housing and Finance Corporation by SSHFC'.

In conclusion, and a gentle hint, setup records linked to other records in this same application can not be deleted unless they are de-linked.
