

Introduction

This user guide provides guidelines on how to use the Payroll platform which takes records of all employee details on Allowance, Deduction Type, Notch, Salary, Staff Loan & Tax.

Dashboard

The following view is presented to you when you select the setup dropdown under **Payroll**

Allowance Setup

This setup enlists all the benefits/allowances available to employees with their rate units.

#	Title	Description	Rate	Rate Unit	Category	Staff Group	Status	Action
1	Transport Allow.	Transport allow.	3000	Fixed Rate	Staff Group	Temporary Staff	Active	
2	Warm Clothing Allowance	Cold climate	2000	Fixed Rate	Individual Staff		Active	
3	Acting	Acting allowance	20	Percentage On Basic	All Staff		Active	
4	Professional	Professional allowance	10	Percentage On Basic	Individual Staff		Active	
5	Residential	Residential allowance	1500	Fixed Rate	All Staff		Active	
6	Transport	Transport allowance	15	Percentage On Basic	All Staff		Active	

The above image, shows the interface you are greeted with, when you select allowance under the setups. This shows all allowances that have been setup in the system. You have the ability to filter out allowances based on the name, description etc. On this page you can create new allowances, by clicking on the **Add** button.

Add New Record

Allowance Title:

Allowance Description:

Allowance Rate:

Allowance Rate Unit:

Allowance Category:

Staff Group:

Status:

#	Title	Description	Rate	Rate Unit	Category	Staff Group	Status	Action
1	Transport Allow.	Transport allow.	3000	Fixed Rate	Staff Group	Temporary Staff	Active	
2	Warm Clothing Allowance	Cold climate	2000	Fixed Rate	Individual Staff		Active	
3	Acting	Acting allowance	20	Percentage On Basic	All Staff		Active	

When thee **Add allowance** button is clicked, you are presnted with a page that accepts certain details that make up an allowance. The Allowance Rate is a value,

either in fixed rates or a percentage, this option is available as a drop down under allowance rate values.

Use the save button to complete the entry.

Deductions Setup

#	Cat.Code	Type	Type.ID	Description	Staff.Value	Employer.Value	Unit	Category	Staff.Group	Comment	Status
